

1. I/We am/are familiar with the circumstances of the estate and have herein provided, to the best of my knowledge, information and belief, a true and complete list of the real and personal assets and effects of the decedent, of which the decedent died possessed or is entitled to, in which Letters of Administration are to be granted.
2. The values/amounts stated herein are made without deducting anything on account of the debts due and owing from the decedent.
3. I/We will post a bond in the amount of the total valuation of all property, unless a different amount is required by the Surrogate. If the valuation changes after Letters of Administration are granted, I will provide documentation of same to the Surrogate's Court and make application to adjust the administrative bond.
4. I understand that the estate assets must be first applied to the payment of all just claims against the estate, according to legal priority, as the law does not permit the distribution of a decedent's property to the exclusion of creditor's.
5. In the event of uncertainty in procedure it is wise to seek legal counsel.
6. I understand that if any of my statements are found to be willfully false, I may be liable for perjury.
